UWRF Athletics Summer 2021 Camps and Clinics Participants:

Below are the updated COVID-19 protocols that have been established by UW-System and UWRF campus leadership for summer 2021. **Please read the guidelines carefully and contact the athletic department at athletics@uwrfsports.com if you have any questions or concerns.** We look forward to welcoming all participants to campus this summer!

General Safety Protocols

- All participants, coaches and staff will be required to wear face coverings at all times for indoor activities. Face coverings will not be required for outdoor activities.
- Hand sanitizer and disinfecting spray will be available and used regularly.
- All participants, coaches and staff are expected to maintain social distancing guidelines when appropriate.
- UWRF occupancy limits for indoor facilities will be strictly followed.

COVID-19 Testing and Vaccination Information

- **Participants of single-day events** are expected to isolate for 10 days prior to arrival. No additional COVID testing is required for single-day events.
- **Participants of multi-day overnight or commuter events** must meet one of the following testing criteria:
 - Participants provide documentation of a negative COVID test taken within 3 days of the start of the camp.
 - Participants provide documentation of a positive COVID test more than 2 weeks and less than 90 days prior to the start of camp.
 - Participants provide documentation of completed vaccination more than 14 days prior to the start of the camp.
- UWRF will have free rapid testing available in Hagestad Hall for participants unable to obtain a COVID test prior to arrival. Testing days and times are Monday-Friday 8am-12pm. Appointments are required and can be scheduled at: [Do I Need a COVID-19 Test? \(doineedacovid19test.com\)](https://doineedacovid19test.com).
- If a participant tests positive for COVID prior to coming to campus, they will need to isolate for at least 10 days. They will be eligible to participate after that time if they are fever free and symptoms are improving.

Daily Guidelines

- All participants, coaches and staff will be required to conduct a daily symptom self-assessment before arriving to campus. Anyone experiencing symptoms must stay home.
- If a participant reports or shows symptoms of COVID while on campus, they will be isolated from the group immediately. Parents/guardians will be notified immediately and will be expected to pick up their child.
